

“Great construction projects are not only built with concrete and steel but also with passion, determination, and a commitment to excellence.”

CIVIL CONSTRUCTION | INDUSTRIAL CONSTRUCTION | PRE-ENGINEERED BUILDINGS  
HOTEL CONSTRUCTION | COMPOSITE CONSTRUCTION | ROADS & LANDSCAPING

# Foreword

Welcome to RAS Builders, where dreams take shape and aspirations are built into reality. It is my distinct pleasure to introduce you to the world of our company, a haven of innovation, craftsmanship, and unwavering commitment to excellence. We believe that every structure we create tells a story - a story of ambition, of dedication, and of the enduring pursuit of perfection.

As the Managing Director, I am honored to lead the team of remarkable individuals who share a common vision: to redefine the landscape of construction through innovation, sustainability, and unparalleled quality.

Our journey has been one of constant evolution. Over the years, we have transformed challenges into opportunities, turning obstacles into stepping stones towards progress. Our portfolio speaks volumes about our ability to blend aesthetic brilliance with robust engineering, creating spaces that not only inspire but also stand the test of time.

As you flip through these pages, you will gain insights into our ethos, our achievements, and our enduring commitment to our clients. Our holistic approach, from the drawing board to the finishing touches, ensures that every project is a manifestation of our clients' dreams. Through meticulous planning, cutting-edge technology, and a team of seasoned professionals, we have consistently delivered on our promise of exceptional results.

Yet, our true strength lies in the relationships we build. It is with profound gratitude that I acknowledge our clients, partners, and stakeholders who have entrusted us with their visions. Your unwavering faith in us is the cornerstone of our success.

*Shubham Rohatgi*  
(Managing Director)

# Company Profile

RAS Builders, is a distinguished name in the realm of premium construction, renowned for crafting opulent living spaces that epitomize luxury, innovation, and architectural excellence.

With over 42 years of an unwavering commitment to quality and a passion for redefining the skyline. We offer services for turnkey civil constructions, hotel constructions, complete industrial constructions, pre-engineered buildings, light gauge steel frame structures along with roads and landscaping. We stand as a testament to visionary design, meticulous craftsmanship, and a client-centric approach.
